

APPLIED SUICIDE INTERVENTION SKILLS TRAINING

SEPTEMBER 23 & 24, 2020

This highly interactive, practice-dominated 2 day workshop is intended for anyone 16 years or older who wish to be better prepared to aid individuals at risk of suicide

-  *Learn how to recognize people at risk of suicide, hear their story, understand their situation and then help them stay safe with a life-affirming intervention.*
-  *ASIST is the most widely used suicide intervention training in the world. Over 100,000 people attend ASIST each year in over 30 countries.*
-  *ASIST works. A major 2013 study showed that the ASIST intervention process significantly reduces thoughts of suicide and helps people at risk feel more hopeful about living.*
