Applied Suicide Intervention
Skills Training

Learn how to...

- **recognize the signs** of someone considering suicide
- **provide intervention** using proven suicide first-aid skills
- **develop a safety plan** that connects the person with further support to...

...help prevent suicide.

September 26 & 27*
8:30 a.m. - 4:30 p.m.

at the Center for Nonprofits in Rogers, AR

* LivingWorks ASIST is a two-day in-person workshop. Attendance of the full 16-hour course (8hr/day) is required for certification of completed training
